Re: Washington and Adams v. Rivas-Ramos
1:22-CV-7482
Settlement Conference January 23, 2023 at 2:00 pm

Dear Magistrate Figueredo,

The parties have consulted and are requesting an adjournment on consent of the upcoming settlement conference scheduled for January 23, 2023. This is the first request made by the parties.

Plaintiff Shaquana Washington is scheduled for surgery on January 26, 2023 and the parties feel that her claim is not ripe for settlement. Further, the parties exchanged a settlement demand and offer on the claim of Robert Adams and do not believe a settlement can be reached at this time. Defendant would prefer to engage in further discovery.

Based upon the upcoming surgery, the parties will also be requesting an extension of the discovery deadlines which will be requested in a separate letter. The parties are agreeable to reschedule the settlement conference with a date in May or June 2023.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Robert J. Menna', is written over a horizontal line.

Robert J. Menna, Esq.
